

THE PRODUCTION

TEAM DYNAMICS

ABOUT THE MODULE

This module elevates team performance through improved communication, strengthened relationships, and collaborative problem-solving. It aims to align individual strengths, foster team bonds, and create a positive work environment.

THE TWIST

Ignite cinematic teamwork!

This dynamic module mirrors a cinematic production. Just as a movie production brings together a diverse cast and crew to create something remarkable, your team, too, has the potential to achieve greatness when working in harmony. This concise manual propels your team towards seamless collaboration and high performance.

OBJECTIVES

Explain and understand the team life cycle

Differentiate between different leadership styles and their impact on the group dynamics

Learn the necessary skills to build group ties for higher group performance

Understand the importance of positive group dynamics on an organization
