

ABOUT THE MODULE

This module enhances leadership skills and fosters adaptability, emphasizing ethics and innovation and empowering leaders to build high-performing teams.

THE TWIST

Lead Your Way!

"Your way" pushes individuals and groups to lead their paths in their own way.

This module not only emphasizes your pivotal role as a leader but also champions your innate creativity and resourcefulness where you can bake it, plant it, paint it, and make it your way!

OBJECTIVES

Identify different leadership styles to enhance leadership understanding

Recognize and apply best practices in leadership for effective management

Explain the concept of situational leadership and its application in various contexts

Develop leadership skills through practical exercises and case studies
